## Welcome to the Bob Jones Nature Center Volunteer Program

We've got a lot of exciting opportunities, events, and projects coming up at the BJNC this year and beyond. We want to help you connect to projects and roles that meet your needs – your time requirements, your skills and passions.

## Group Volunteer Guidelines, Policies and Procedures

- Groups accepted for volunteering will complete the Group Volunteer application identifying the volunteer project(s) prior to the start date of the stated project (2).
- Group volunteers must identify a Group Contact prior to the start of a project who will serve responsible for the safety and well-being of all group members. The group contact agrees to:
  1. Provide coordination and supervision for group while volunteering
  2. Ensure all members adhere to Nature Center rules, regulations and procedures
  3. Report to the Nature Center any behavior, actions, or language inappropriate for the established activity, location, or group which may endanger the health and/or well-being of the individual, other group members, or nature center visitors.
- Volunteer Opportunities for **youth ages 18 years and younger** are governed by applicable child labor laws. A responsible adult must accompany volunteers under the age of 18 at all times during the stated period of service work. If any members of your group are under the age of 18, a consent form completed by a parent or legal guardian must be completed and signed to complete the group application process. A completed form must be filled out for each individual under the age of 18. Download a BJNC Consent Form from [bjnc.org/volunteering](http://bjnc.org/volunteering).

The Nature Center cannot guarantee volunteer placement. The Nature Center makes every effort to match volunteer applications to volunteer opportunities according to the needs of the Nature Center and the interest and availability of the volunteer(s).
